## Customer Reviews

Not very helpful because the briefs are oversimplified, and and not what my professors are looking for.

The only explanation I can reckon is that these briefs were made deliberately awful to punish law students who rely on them instead of doing the reading. So often they leave out crucial facts of the case, overlook important arguments that the courts make, and dramatically oversimplify the ones that are included. Do not rely on these briefs for anything more than a cursory refresher or brief primer.

Some of the briefs made no sense or just terribly written. What a waste of money. reviews do not seem truthful these days. Whoever gave this 4+ stars must have failed civ pro.

Great service! Arrived on time prior to my class. Very useful supplemental reference. Thanks!
