La Damnation De Faust, Op.24: Vocal Score (French Edition)
Synopsis

Berlioz’ operatic masterpiece is now performed regularly in concert halls worldwide, despite the poor reception received at its Paris premiere in 1846. This is a new, digitally-enhanced, corrected reprint of the score originally issued in 1911 by Costallat & Cie., Paris. Charles Malherbe prepared the piano reduction to serve as a companion vocal score for the full score issued as part of the Berlioz Complete edition - ultimately left incomplete thanks in part to Malherbe’s passing in the very year this score was issued. This very readable A4-sized vocal score will be appreciated by performers, students and Berlioz aficionados everywhere.

Customer Reviews

The publisher correctly replied to my question about the "edition" and it was so helpful. Paper quality would be a little better. (My friend bought the same via Japan, which was printed on better sheets.)
