# Questions For Terrible People: 250 Questions You'll Be Ashamed To Answer

## Synopsis

Guaranteed to bring out the worst in people! Would you rather attend a funeral while high on laughing gas or go to your own wedding doped up on horse tranquilizers? Which famous figure, living or dead, would be the most terrifying to be tickled by? Which is greater: The number of times you've given money to a panhandler on the street or the number of times you've dropped change on the ground and left it there because you didn't feel like bending over? If you seriously considered these questions, this book is for you. If you didn't, don't worry--you're probably still a terrible person. Use the other 247 questions in this book to find out just how terrible that is.

Evil in the best way. Heard about this from a buddy of mine and got it to break out at dinner parties. If you like Cards Against Humanity you'll like this.

I brought this book to a dinner party and we spent the night laughing! People emailed me the next day saying their abs hurt. Very funny book. Have fun!

Hilarious Book from excellent Boston Comedian!
