Buy these Charles Timmerman puzzle books for my mother. She loves them!! Mr. Timmerman takes great care in putting the puzzles together. They are very enjoyable. The large print makes them easy to see. There are many different books, both word search and crossword puzzles. They give my mother many hours of fun and that makes me happy. Would highly recommend to anyone who enjoys doing puzzles.

Another volume of a book that has overall very easy crossword puzzles which I find relaxing to do when I don't want to be too challenged. Easy on the vision!

My grandmother has never been so happy. These were easy, but not boring as far as difficulty goes. And super easy to read as far as font size goes.

Bought this for my Mom, she has memory issues, this crossword book challenged her but didn't frustrate her so it was perfect for our needs. She finished the book and asked for more.

Even with very poor vision, I am able to work in this book every day. I will continue to buy different volumes of this because each puzzle is a pleasure for me.

Good for persons with visual problems! I am presently having visual problems, therefore the size of print is great for me.

Charles Timmerman writes the best crossword books for beginners. Easy but at time challenging. Lots of fun.

I bought it for my husband, who works crossword puzzles everyday, and it's one of his favorites.
