While most of the quickstudy laminates are useful, there are simply too many topics in Property Law to cover and this chart gives only the barest of details on any of the topics. It will NOT help you if you are attempting to memorize concepts for a law school exam or the bar exam.

Somewhat helpful. You're better off writing your own outline.

Don't depend on these for your finals, but they are a great last minute tool the morning of a final for a quick refresher.

Coming from continental law, this has been a great resource to grasp the differences and similarities

I'm studying for the bar. This is a great way to refresh before tackling practice exams and essays?

Essential points for study and for reinforcement of what makes Real Property versus Criminal Law.

Great and quick reference for this student. Info accurate and matches textbook

Great amount of information packed in one small reference area.
