Laughter Really Is The Best Medicine: America's Funniest Jokes, Stories, And Cartoons

Synopsis

Collected from one of the most popular features of Reader's Digest magazine, this compilation of more than 1,000 all-new jokes, quotes, anecdotes, and cartoons is guaranteed to add laughter to your day. This collection of laugh-out-loud jokes, one-liners, and other lighthearted glimpses of life drawn from Reader's Digest magazine's most popular humor columns is sure to tickle the funny bone. Packed with more than 1,000 jokes, anecdotes, cartoons, quotes, and stories contributed by professional comedians, joke writers, and readers of the magazine, this side-splitting compilation pokes fun at the facts and foibles of daily routines, illustrating that life is often funnier than fiction. Did you hear about the Broadway actor who broke through the floorboards? He was just going through a stage. What did the ill comic say in the hospital? "I'm here...all weak!" Charles Dickens walks into a bar and orders a martini. The bartender asks, "Olive or twist?" Posted in a dental office: "Be kind to your dentist. He has fillings too." "The main advantage of being famous is that when you bore people at dinner parties, they think it is their fault." -Henry Kissinger, Nobel Peace Prize, 1973 As Groucho Marx once said, "A laugh is like an aspirin, only it works twice as fast."

Book Information

Paperback: 216 pages

Publisher: Reader's Digest; Original edition (January 6, 2011)

Customer Reviews

The humor segments are my favorite parts in Reader's Digest. To be honest it's why I have a subscription. When I saw this book I just had to have it and the fact that it is a Kindle version is a huge plus. I laughed so hard through this whole book I thought I might suffocate! Thank you Reader's Digest for putting it all into one book. It's awesome.

I remember when I was little my parents had a subscription to Reader's Digest. I looked forward to every issue just to read the "Laughter is the best medicine" page. This book is such a wonderful trip down memory lane for me! And it just goes to show you that humor doesn't need to be crude and vulgar to be funny.

This book is a great addition to any library. It is entertaining for all ages and really is ideal for someone looking for light reading and a pick me up.

I used to love reading this column in RD each month when our issue would arrive in the mail. When I saw this compilation offered, I decided to "step back in time", so to speak. This is still good, clean fun and other than the addition of actual jokes vs cute little stories, I did enjoy the sense of deja vu. Keep this one handy to enjoy a quick laugh during your busy day.

Print is small. Was a bit disappointed in that, because I was hoping to read it and then pass it on to my mother. Some of the quotes are repeats of what I've seen on the Internet. All in all entertaining, but the book is small and again the print is very small. Surprisingly I found a typo, which I would think is rare for Reader's Digest. There was a page with two quotes repeated on it

i have had a subscription to RD for a lonnnnggg time because it is a quality product. Sure, I recalled a few of the jokes; but overall they showed me again that laughter TRULY is the best medicine! The cost of the e-version is quite reasonable as well!

My memory is better than I thought. I remember reading this humor in my childhoodand that was a really long time ago. Not hilarious or side-splitting laughter; however, somewhat refreshing to reread good clean jokes and have a smile or two while waiting around for whatever the reason. Even tho' I was disappointed that the material was mostly used and reused, the contents will no doubt be enjoyed by many readers.

Got this as a present. I think the recipient will be very pleased. If you know someone who likes Laughter is the Best medicine, then this might be the gift for them. The price is reasonable for the size of the compilation. These are the 'greatest' hits so to speak of the Readers Digest articles. The humor is clean and family friendly.
